8. Information for refunds regarding students enrolled in limited contract instruction courses have a written policy whether or not fees and instructional charges are refundable. (see pages 21 and 22)
Costs, Fees and Charges

Program fees do NOT include associated material or additional requirement costs; including, but not limited to books, supplies, uniforms, testing fees, background checks, insurance, etc. and are additional.

A non-refundable registration fee is required for all fee-based programs and courses. The fee is charged annually per program. Details are outlined in the program description.

Students are responsible for paying for all books and materials at time of issue. For those students with funding assistance, books and materials are included only if specifically noted.

Students are required to obtain all necessary books and materials as listed for each program; this includes the proper editions. However, they are NOT obligated to purchase books and materials from CAJ; they are offered as a convenience and while quantities last. Workbooks and study guides purchased elsewhere must be NEW without markings of any kind.

For students paying tuition with student loans, 10% of the total program/course fee (or 10% of the annual program fee for Court Reporting / Court Reporter program) is due at the time of registration for all programs except Vocational Nursing (Licensed Practical/Vocational Nursing Training) program.

The re-take or extension of a program block, or class, is subject to a fee (fees vary by program). This fee:

- IS subject to prior approval
- IS subject to availability
- is NOT covered by student funding assistance without approval from funding source
- is NOT available for all programs
- does NOT include the cost of books, materials or any additional fees associated with the class requirements (i.e. fingerprinting, drug testing, etc.)
- in reference to the court reporting program quarterly extension, is NOT prorated unless there is approved medical leave

Program fees and material costs are subject to change without notice. Student is responsible for increases prior to purchase. All fees must be paid in full to graduate.

For information about national and program accreditation, contact the institution.
